 Request

25X1A

 requested that the Office of Security prepare backup material in case the Director is to testify before the Nedzi Committee. He set forth the following examples of the type of backup material which would be required.

- a. What are your classification and declassification procedures?
- b. How many classified documents does the Agency have?
- c. How many people have Top Secret clearances in the Agency?
- d. What is your reaction to the Executive Order and will it cause you any problems?

25X1A

 suggested that this backup material be in the form of tabbed categories. For example:

Category on Clearances - How many? How obtained?  
How revoked? How updated?

Classified Material - How much in each classification category?
